Intro-A A C#m D D B B D C#m C#m A A C#m D D D(Let ring)

Play these chords during guitar riff-A D F# D

First verse

A **D**
What s the problem with the human race

(With someone like you)

F# **D**
No matter where I turn I can t escape your double face

A **D**
Don t want to listen to the radio

(Cause they don t know)

F# **D**
Or stick around just to hear I told you so

Pre-chorus

A **D** **F#**
How could we make it without you
D **A**
I should have known better to doubt you
D
I thought I d heard the end of it

Chorus

A **D**
And now I know how far you d go
F#
to be the next freak show
D
American psycho
A
Cover of the magazines
D
Patron Saint to troubled teens
F# **D**

I Wish I never heard your name

A A C#m D D B B D C#m C#m x2

2nd verse

A D
Tomorrow could be just another day

(Means nothing to you)

F# D
A misdemeanor or a felony, that s ok
A D
Don t want to wait for a second chance

(So take a stance)

F# D
It s your turn for the spotlight, the big dance

Pre-chorus

A D F#
How could we make it without you
D A
I should have known better to doubt you
D
I thought I d heard the end of it

Chorus

A D
And now I know how far you d go
F#
To be the next freak show
D
American psycho
A
Cover of the magazines
D
Patron Saint to troubled teens
F# D
I Wish I never heard your name

Play these chords during this part and the guitar riff:

A D F# D x2

They all want to know
What I already know

Bridge

A **D**
What am I supposed to do
F# **D**
When you know that it's all true
A **D**
That you stole, that you lied
F# D A D F# D
That you knew

A
Primadonna self absorbed
D
Wide awake and never bored
F#
Party binge and purge, And see
D
results of plastic surgery
A
Spotted at the hottest shows
D
Interview on Charlie Rose
F# **D**
They all want a piece of you

Chorus

A **D**
And now I know how far you'd go
F#
To be the next freak show
D
American psycho
A
Cover of the magazines
D
Patron Saint to troubled teens
F# **D**
I Wish I never heard your name

Outro

Play these chords during this part and the guitar riff:

A D F# D x2

They all want to know
How far you had to go
and I already know
How far you had to go

A A C#m D D B B D C#m C#m x2

End on A
