

**Worst Fears**  
**Trent Dabbs**

This is a great artist, and I was surprised not to find anything of his on here.  
So it  
me to put my first tab up. Don t take the lyrics as Gospel (I guessed at them).  
Hear more Trent Dabbs here: <http://www.myspace.com/trentdabbs>  
Enjoy!!

Intro: **C**

**C** **F**  
Not sure of how to digest this information  
**Am** **G**  
When the world seems almost beautiful  
**C** **F**  
You watch to see how your cup is filled  
**Am** **G**  
Is it alcohol? Or a lover who stands in shame?

**F** **C**  
Well, it goes down all the same  
**F** **C**  
Well, it goes down all the same

**C** **F**  
Retire those thoughts you have of forgiveness  
**Am** **G**  
Some words can drain you  
**C** **F**  
And watch it heal just to learn of pain  
**Am** **G**  
Don t stare at clouds and wait for rain

**F** **C**  
Cause it goes down all the same  
**F** **C**  
Cause it goes down all the same

(guitar interlude for a stanza)

**F** **C**  
**F** **C**  
**F** **C**  
**Am** **G**

**C** **F**  
Ready, ready, ready, ready for a kiss  
**Am** **G**  
from you  
**C** **F**  
One if I should ever receive  
**Am** **G**  
This heart you can forever claim  
**C** **F**  
See I d like to put my fist through the darkness  
**Am** **G**  
I d strip the light outside and I d gift wrap your pain

**F** **C**  
Cause it goes down all the same  
**F** **C**  
It goes down all the same  
**F** **C**  
It goes down all the same  
**F** **C**  
It goes down all the same

Outro: F C (repeat 4 times)
