In a parked car

In a crowded street  
**A**  
You see your love  
**F#m**  
Made complete  
**C#m**  
Thread is ripping  
**G#**  
The knot is slipping  
**C#m**  
Love is blindness

Love is clockworks  
**H**  
Cold steel  
**A F#m**  
Fingers too numb to feel  
**C#m**  
Squeeze the handle  
**G#**  
Blow out the candle  
**C#m**  
It is blindness
