Verse 1

**G Bm**  
You walk out onstage and sing folks your song

But soon you discover the job takes its toll  
**Em**  
And everyone's wanting a piece of your soul

**G D A D Em D A**

Verse 2

**G Bm**  
You sit by the river, wondering what you got wrong,  
**A Bm**  
How many chances you've missed all along.  
**G Bm**  
Like your troubles had somehow turned you to stone  
**Em A**  
And the water was whispering, why don't you come home?

Chorus

**G D A**  
When life is too much, just remember  
**G D A**  
When you're down on your luck, just remember,  
**G D Bm A**  
I'm as close as a shadow, wherever you go,  
**G D Bm A**  
As bad as things get, you've got to know,  
**G A**  
That I'm with you| always with you.  
**G**  
Your shadow.

Everything gone, all the plans rearranged
