

Good Rain
Trevor Hall

G
If there s a hole in your sole you better fill it
If your cup is overflowing don t spill it
Em Am C G
Ya better hold it while the whole world s spinnin around

G
If your eyes look down on another
Just remember that he s your own brother
Em Am C G
This kinda love ain t gonna go under I found
Em Am C G
That when ya love one another only good rain comes down

G
If you feel like you ve stopped learning
If the wood in your fire ain t burin
Em Am C G
Ya better spark another match start turning the wheel

G
Better turn to righteous living
Stop takin and start your givin
Em Am C G
Ya this is one this missin I feel
Em Am C G
That lovin one another is the only thing real

C Am G
Don t let your blessings turn into stone
C Am D
That kinda living will leave you all alone

G
If there s a hole in your sole you better fill it
If your cup is overflowing don t spill it
Em Am C G
Ya better hold it while the whole world s spinnin around

Instrumental: **G-Em-Am-C-G**

C Am G
Don t let your blessings turn into stone
C Am D
That kinda living will leave you all alone

G
When your heart is troubled by feeling
Ya remember there s a way to spark healing
Em Am C G
Ya the first step is when ya start believing it s real
Em Am C G
Ya this is one this missin I feel
Em Am C G
That lovin one another is the only thing real

I absolutely love this song and have been playing it for weeks now! Enjoy it as much as

I have! Thank you Trevor!
