

Just In Time
Trevor Hall

So. As far as the tab part goes, its just the tune and I would say only 90% of its correct just because of timing, but the chords however are perfect (I saw him live in concert).

Standard tuning, no capo.

Intro:

E, A x4

```
-----|  
-----|  
--1-2-1-2-4-1-2-1-----|  
-----|  
-----|  
-----|
```

E

Well I woke up in a dream, a girl I see

A

What is the language of your poetry

E

I love the way your tongue tells stories of the sea

A

You swallow all my diamonds spit them out as fantasies

Asus2

Queen bee

A

Lovely

E

Well I hopped a couple of trains, guitar in hand

A

Searching for your bee hive in another mystic land

E

And I hallucinate see all these stars they form a shed

A

With in my heart is an earthquake, shake me love until I break

Asus2

What have I found

A

Glory bound

COR:

See I jumped off....

```

-----|
-----|
-----1-4-6-----|
--1--2-----4-4-4-6-6-4-2-----|
4-----|
-----|

```

E C#m

See I jumped off

A E

And I fell for ya just in time

E C#m

A

E

With out your love, this old soul won t come to life

Your melody harps in the trees...

```

-----|
--5-4-2-2-0-2-0-0-0-2-0---0-----|
-----1--1-----2-1-----2-1-----|
-----4---1-2---2-2-----2-2-2-----2-4-2-|
-----4-----|
-----|

```

C#m

E

Asus2

Your melody harps in the trees wonders the seas of my mind

C#m

A

E

I ve told you once, I ve been searching for you and I found you just in time.

E, A, E x2

E A E

Put to shame the sunshine

E A E

Well Ive been lost for a long time

C#m A

Take me I m shy

C#m A

And these stars burn while

E, A, E x2

E C#m

See I jumped off

A E

And I fell for ya just in time

E C#m

A

E

With out your love, this old soul won t come to life

Your melody harps in the trees...

```
-----|
--5-4-2-2-0-2-0-0-0-2-0--0-----|
-----1--1-----2-1-----2-1-----|
