**E5**  
Well, as I walk on down.

**E5**  
I feel like a clown

**E5**  
In a circus of my own.

**E/D#**  
Oh, my cover, it s blown.

**C#m7**  
Feel like I got a heart made of tin.

**E/D#** **E5**  
I thought of you this morning.

**E5**  
Well. I sleep into a state.

**E5**  
As I awake,

**E5**

oh, Well. I start to find

**E/D#**

that I can't get your smoke out of my eyes.

**C#m7**

I guess I lose, guess you win.

**E/D#**

**E5**

I thought of you this morning.

**E5 x2**

**Aadd9**

Oh, well, I think about all the other ways I could've played,

**Aadd9**

all the other simple moves I could've made,

**C#m7**

all the other cards that I could've dealt,

**C#m7**

all the books I didn't read upon my shelf,

**Aadd9**

all the other ways I could've sung my songs;

**Aadd9**

**B**

realized that none of it went wrong.

**Bsus4**

It was all play.

**E5**

How could it be any other way?

**E5**

How could it be any other way?

**E5 x2**

**E5**

Now that the chains are off, I'm free to roam.

**E5**

Everywhere I go, I feel like I've gone home.

**E5**

Nothing hides; everything is shown.

**E5** **E/D#**  
She s always with me; I m never alone.

**C#m7**  
Guess you lose. guess I win, yeah.
