

Te Amo
Trevor Hall

Te Amo by Trevor hall

Capo 4

Note: All G s can also be Gadd11. They both sound good to me. Also In the chorus,
the Fmaj9 goes to Fmaj7 with the middle finger and back to Fmaj9. You can hear it
in the song, it s a little complicated to describe, but that s what happens.
Enjoy!

Intro: **C**

C

Well I been trying to meet you baby
I ve been trying to seek you lovely

Cmaj9

Tell me where you come from darlin
Tell me where you run to honey

Am

I am only here to listen
I am only here to feel

G

Tell me everything about you
Tell me bout all the hearts you steal

C

Fire is burnin round me
Are you gonna burn with me too

Cmaj9

Cause I don t really want this life ya
All I really want is you

Am

Are you gonna take me up there
Are you gonna help me see

G

Are you gonna lift this madness
Or are you going to bury me

Chorus:

C **G** **Am**
So shall I run or shall I fall

Fmaj9 **C**
Shall I fall for you

G
I ll burn it down

Am
I ll sell it all

Fmaj9 **C**
I ll sell it all for you

C
Well tell me mama am I dreamin
Or am I too deep in sleep

Cmaj9
All of my friends have told me
A woman makes a man s heart weak.

Am
But I don t really wanna listen
I don t believe what they say

G
Cause I wanna be your shelter
And I want you to shelter me.

C
Weather in a town or city
It all starts to seem the same

Cmaj9
Without you in my heart
I m a cold man I have to say

Am
Livin my life in shadows
I don t know what this all means

G
But I am a seeker and I m seeking you to rescue me

Repeat Chorus twice at end
