A|---3---5-----|
E|-----5-----|
```

Verso 1

I spark a match and watch the candle burn  
The wick runs out and then love takes its turn  
On fallin angels and broken sounds  
We will last past the final round

Refrão

                          G  
C                          It took a while for you to find me  
Am                          Em7  
I was hiding in the lime tree  
C                          G  
Above the city in the rain cloud  
Am                          Em7  
I poked a hole and watched it drain out

Ponte

D|-----|
A|---3-----|
E|-----|
```

Verso 2

Parallel to the city streets  
Are broken crowns beneath our feet  
As we walk across the diamonds  
We know that love is always shining

Verso 3

So save me love save me all the time

I ll wash you down with a simple sip of wine  
Toast my glass to all my loved ones  
To let them know that the stars they still shine
