E |-----5-----|
```

Verso 1

I spark a match and watch the candle burn
The wick runs out and then love takes its turn
On fallin angels and broken sounds
We will last past the final round

Refrão

```
      C                G
It took a while for you to find me
Am                Em7
I was hiding in the lime tree
      C                G
Above the city in the rain cloud
Am                Em7
I poked a hole and watched it drain out
```

Ponte

D |-----|
A |---3-----|
E |-----|
```

Verso 2

Parallel to the city streets
Are broken crowns beneath our feet
As we walk across the diamonds
We know that love is always shining

Verso 3

So save me love save me all the time

I ll wash you down with a simple sip of wine
Toast my glass to all my loved ones
To let them know that the stars they still shine
