C#m

Rain comes down but he holds the mountain,
Blue like sky, can you tell me why

A A*
he sports him this way a child at play

E E*
open up my lips but whats there to say

C#m

Come play, come play
as the river runs down as the river runs through

A A*
as it runs through the field with all his companions

E E*
this is the scene of the most enchanted

C#m

I am a drunken fool, drunk off the love that holds up the moon
Drunk off the love that binds me and you to the most high

F#m C#m

Just close your eyes and hold me

E B
No harm will befall you,

F#m C#m
thats what is spoken true

E B
when I turn down the Volume

SECOND VERSE AND CHORUS ARE THE SAME AS THE FIRST

A

C#m

Hold up the sky, no asking why
How can we know if we don t even try

A

C#m

Hold up the sky, no asking why
How can we know if we don t even try

A

E

Hold up the sky, no asking why

B

How can we know if we don t even try
How can we know if we don t even try
