Verse 1: (I kinda hammer the 5th string while playing the E to carry the chord)

E **A**
Last time....when you were waiting for me...
E **A**
I tried....to tell you all we had was a
C **G**
Wrapped up scene like I knew that it would
D **A** **E**
It all seems thin but it sure feels good.
C **G**
Cause it s the best I ve seen when you fall down good
D **A** **E**
Sink in the water but you re walkin on wood.

Verse 2:

E **A**
This time....what are you waiting for is it
E **A**
Your time....to walk away because the
C **G**
Laws unseen levels all good
D **A** **E**
The hurdles all down like another time would
C **G**
Cause it s the best I ve seen when you fall down should
D **A** **E**
Sink in the water but you re walkin on wood.

Bridge:

B

Last I ve seen walkin on wood

C

Downstream driftin like a longtime should

G

But now we re invisible

D

So all that s good

B

Laws unseen levels all good

C

Downstream driftin like a long time should

G

But now we re invisible

D

E

So all that s good.

Verse 3: (this verse alone is soo meaningful and poignant)

E

A

Next time....and I could wait forever

E

A

Old times....because I thought I d never

C

G

Wrap that scene like I knew that I should

D

A

E

We all seem thin but it sure felt good.

C

G

Cause it s the best I ve seen when you fall down good

D

A

E

Sink in the water but you re walkin on wood.
