```
E                          B
you re life is spinnin outta control
          C#m                  A
seems the whole worlds out to get you
E           B                  C#m   A
everythings wrong nothin seems right
           E             B
theres a sinking feelin inside
          C#m                      A
even your best friends turned his back
E                              B                      C#m   A
but you cant let it bring you down no youve got to fight
        C#m           B      A
cuz you try but you cant let go

E                                    B
its when your down that you gotta get up
     C#m                          A
dont let em walk all over your face
E                 B                        C#m       A
stand up for yourself and make everything right again
E                             B
even if some guys tryin to blackmail you
           C#m                  A
and your girlfriend thinks you suck
E                          B                                  C#m
 A
its up to you to let them know that it was all part of some rich guys plan
C#m                        B
look out ahead theres a truck changin lanes
    A
you got some yellow crumbs on your upper lip
C#m                                  B
those warts on your dick aint gonna go away
            A
unless you start usin topical cream everyday
```
