Eb
                            Bb
you re life is spinnin outta control
seems the whole worlds out to get you
             Bb
                                      G#
everythings wrong nothin seems right
           Eb
theres a sinking feelin inside
                                  G#
even your best friends turned his back
                                                            G#
but you cant let it bring you down no youve got to fight
                     Bb
cuz you try but you cant let go
Eb
its when your down that you gotta get up
dont let em walk all over your face
                   Bb
                                            Cm
                                                      G#
stand up for yourself and make everything right again
Eb
even if some guys tryin to blackmail you
           Cm
and your girlfriend thinks you suck
Eb
                                                              Cm
 G#
its up to you to let them know that it was all part of some rich guys plan
look out ahead theres a truck changin lanes
you got some yellow crumbs on your upper lip
those warts on your dick aint gonna go away
unless you start usin topical cream everyday
