Bridge chords:

**GM7, F#m7, Bbdim, Bm, AM, GM7, F#m7, Em7, F#m7, GM7, F#7**

Look what this girl â€¦ did to me  
She didn t cut me off from a good good love  
She told me that those days where gone

Now I m sitting here goin half crazy  
Cause I know she still thinks about me too  
And it ain t no way in hell  
That I can be just friends with you

And I wish we never did it  
And I wish we never loved it  
And I wish I never fell so deep in love with you and now it ain t no way we can  
be friends

The way it felt no fakin it  
Maybe we were movin just a little too fast  
But what we ve done we can t take it back

Now I m sitting here halfway crazy  
Cause I know she still thinks about me too  
And it ain t no way in hell  
That I can be just friends with you

And I wish we never did it  
And I wish we never loved it  
And I wish I never fell so deep in love with you and now it ain t no way we can  
be friends

And all I can say is  
La la la la la la la (la)  
La la la la la la la la la (la la la ooh)  
La la la la la la la la la (hey)  
Ain t no tellin what we could have been  
Ain t no tellin what we could have been (no)

And if I knew it ends like this  
I never would have kissed you cause I fell in love with you  
We never would have kicked it  
Girl now every things different  
I ve lost my own recoverin my friend

That s why I wish we never did it

Oooh yea

And I wish we never loved it (I wish we d never loved it)

And I wish I never fell so deep in love with you and now it ain t no way we can  
be

friends (we can t be friends)

La la la la la la la

La la la la la la la la la

La la la la la la la la la la
