

Alone Or With Friends Tribes

My first EVER go at translating some chords, turns out they re pretty simple!
Let me know any improvements.

Intro: **G**

G **C** **D**
I see colours, well I can t quite work out why

G
Am I at the bottom of the ocean, or way up in the sky?

D **G**
Am I alone or with friends?

G **C** **D**
I hear thunder, and a thousand words in song

G
A symphony so beautiful I had to sing along

D **G**
Am I alone or with friends?

C **D**
I lie awake, to find old lovers hands

Em **G**
Writing messages in the sand

G **C** **D**
I feel cold and the the air s too thin to breath.

G
Now you couldn t possibly imagine how much of you I need

D **G**
Am I alone or with friends?

C **D**
I lie awake, to find old lovers hands

Em **G**
Writing messages in the sand

Guitar Solo: Best on electric, you can bend the notes country style
