

**Girlfriend**  
**Tribes**

Intro:

**B**

Verse:

**G#m**                      **B**                      **E**                      **F#**

I say I love you but I m lying when I mean it.

**G#m**                      **B**                      **E**                      **F#**

This situation is just running dry.

**G#m**                      **B**                      **E**                      **F#**

Sooner or later someone s gonna see it.

**G#m**                      **B**                      **E**                      **F#**

Past the shadows of your eyes.

**E**

Chorus:

**B**                      **F#**                      **E**                      **F#**

My girlfriend doesn t love me

**B**                      **F#**                      **E**                      **F#**

My haircut doesn t suit me.

**B**                      **F#**                      **E**                      **F#**

My best friend thinks I m lazy.

**B**                      **F#**                      **E**                      **F#**

But I don t care they don t know me.

**E**

Yeah yeah yeah yeah yeah.

Verse:

I keep my voice low so I don t wake you.

Sip at the back just so you don t see.

I m sorry darling I just don t miss you.

Head on my shoulders and I feel free.

Chorus:

My girlfriend doesn t love me

My haircut doesn t suit me.

My best friend thinks I m lazy.

But I don t care they don t know me.

Yeah yeah yeah yeah yeah.

Solo:

(chords same as verse)

**E**                      **C#m**                      **G#m**                      **B**

Follow me and you alone somewhere in a house together.

**E**                      **C#m**                      **G#m**                      **B**

Makes me feel a brand new lost little boy running home forever.

Chorus:

My girlfriend doesn't love me

My haircut doesn't suit me.

My best friend thinks I'm lazy.

But I don't care they don't know me.
