

Sons And Daughters Tribes

Sons and Daughter By Tribes
Tabbed by Charlie Tilley

Verse

E --- **B** ---
Heard the story of the world last night
C#m --- **A** ---
Where the kids don t read, and the kids don t write
B --- **C#m** ---
Where the girls don t sing, and the boys don t fight
A --- **B** ---
and no-one believes anything

Shut my eyes and I took myself there
Threw off my shoes, felt the wind in my hair
Put down my drink, and pulled up a chair
Felt the sun go down on me

Pre Chorus

A ---
We re drinking holy water
E ---
Sleep with your sons and daughters
A ---
Dancing the english way
B ---
And it won t be the same

Chorus

E --- **A** - **B** -
Ahhhhh, No rest for the wicked
E --- **A** - **B** -
(Yeah Yeah Yeah) No peace for the crooked
C#m --- **A** - **B** - **E** ---
Yeah Yeah Yeah Nothing left for me
