

Drummer Like Me
Trip Shakespeare

E **D**
Not rich and I play the drums
A **E**
That s pretty much me
E **D**
Do you want to throw in with me
A **E**
I m ready to play
E **D**
You could lose a lot with me
A **G#**
A young lady like you
A **B** **E**
You could lose your luck with a drummer like me

In the days when I had a job
I got pretty good pay
But i became a percussionist
Just the other day
You ve been living with your mom
And that s living to me
You could lose your luck with a drummer like me

C#m **D** **A** **E**
Oh listen, some drummers have shaky time
C#m **D** **A** **B** **E**
Oh listen, I don t mean to change your mind

I walked into a restaurant
A lady moved away
She must have lost her sanity
I was drumming on my tray
You ve been living with your mom
And you ve been living well
Would you check your life into a cheaper motel!

Got a friend with a drum machine
He s got rhythm and taste
He says I live in the seventies
And I can be replaced
Well I could be a professional
And that s a living to me
A **B** **A** **B**
You could learn a lot with a drummer like me
A **B**
You could lose your luck with a drummer like me

C#m D A E
Oh listen, some drummers have shaky time

C#m D A E
Oh listen, I don t mean to change your mind

C#m D A G#
Oh listen, but don t listen to me

A B E
You could lose your luck with a drummer like me
