This is as close as my friend and I have gotten. Any revisions or additions would be appreciated! Especially in the intro and guitar solo parts.

P.S. This is the ****BEST**** band in the universe, and Dan and John s new group PLEASURE is Awesome, too!

Today You Move
Kinda-Chorded by Jason Arant and Brian Wetjen
From the Trip Shakespeare album _LULU_

G **D G**
Cold was the morning in your old place
C F D C
Sunday, today you move
G D G
Down in the basement with the old crates
C F D G
Old clothes, winter shoes

G D G
Cold was the handle of the van door
C F D C
The old Ford, she comes through
G D G
And I m a helper to my own fate
C F D G
I ve come to help you move

Em C
Monday you ll wake up
G D
Ceiling lights are strange
Em C
Tuesday I could ask you
G D
If you could stand a change

G D G

Gold was the alley of your new place

C F D C

I drove here with you

G D G

High in the shadow of a oak tree

C F D G

The window of your bedroom

Em C

I ll come calling

Em D

I ll call up to you

Em C

I ll say come down

Em D

I ve come up to you

G D G

Now when your sister came to our place

C F D C

Nine days she stayed with you

G D G

And every time I saw her young face

C F D G

I knew and she knew

G D G

I ve been a vandal to my own home

C F D C

Under the snaky moon

G D G

So now when I come to see the old place

C F D G

I want to be of use

Em C

Monday you ll wake up

G D

Ceiling lights are strange

Em C

Tuesday you could ask me

G D

If I could stand to change

G D G

Now with the bed frame up the staircase

C F D C

We re through with the move

-NO CHORD-

And if you think you have enough space

-NO CHORD-

I d move in with you

Em C

I ll come calling

Em D

I ll call up to you

Em C

I ll say come down

Em D

I ve come home to you
