

**Fabian
Tripod**

Amin **Amin7** **F** **Csus C**
You know Dasher and Dancer and Prancer and Vixen,
F **Amin7** **Dmin** **C** **C/B** **Amin**
Comet and Cupid and... Chopper and Nixon.
F
But do you recall,
F **G**
The least famous reindeer of all?
C **G** **Amin** **Emin** **F** **C**
Fabian, Fabian, Fabian, Fabian, Fabian, Fabian,
G **C**
This song s for you.
C **G** **Amin** **Emin** **F** **C**
Fabian, Fabian, Fabian, Fabian, Fabian, Fabian,
G **C** **G**
This song s for you.
C **G** **C**
F **G**
This is the tale of a reindeer that nobody knows,
C **G** **Amin**
Dmin **G**
Shoved down the back and largely ignored on account of a nasal disfigurement.
Dmin **Amin**
Not unlike Rudolph in that sense,
Dmin **Amin**
The hallmarks are almost the same.
Dmin **C**
G
Instead of a red shiny nose that brought Rudolph his fame...
G7 **C** **F**
Fabian had just... a cavity.
G **C** **F**
No nose at all,

G **C** **F**
 Just a big empty space,
G **C** **G**
 In the middle of his face.
C **G**
 Just a couple of chambers
G
 What are you looking at?
G
 D ya want a piece of this?
C **G** **Amin** **Emin** **F** **C**
 Fabian, Fabian, Fabian, Fabian, Fabian, Fabian,
G **C**
 This song s for you.
C **G** **Amin** **Emin** **F** **C**
 Fabian, Fabian, Fabian, Fabian, Fabian, Fabian,
G **C** **G**
 This song s for you.
C **G** **C**
F
 Abnormal snouts were surprisingly common in reindeer.
C **G**
 Rudolph and Fabian both fell victim,
Amin **Dmin** **G**
 To the elves and their cost-cutting measures.
Dmin **Amin**
 In keeping their overheads down,
Dmin **Amin**
 The elves fed the reindeer on reindeer.
Dmin **C** **G**
 And on top of that, the poor reindeer were also in-bred.
G7 **C** **F**
 So Fabian had just... a cavity.
G **C** **F**
 His hooter was lacking.
G **C** **F**

Bugger all schnozz!

G **C**
All this because,

G **C** **F**
His dad was also his sister.

G **C** **G**
Who he then ate.

G
This chicken tastes funny. Can I have some of yours?

C **G** **Amin** **Emin** **F** **C**
Fabian, Fabian, Fabian, Fabian, Fabian, Fabian,

G **C**
This song s for you.

C **G** **Amin** **Emin** **F** **C**
Fabian, Fabian, Fabian, Fabian, Fabian, Fabian,

G **C**
Tragic but true.

D
Disliked by his peers,

A **D** **G** **A**
This disfigured deer was alone.

D
He watched from afar,

A
As Rudolph the star,

Bmin **F#min** **G**
Would lead all the others back home.

Emin **Bmin**
But before you get too sympathetic,

Emin **Bmin**
There s another thing you should know.

Emin
Sure, his nose was upsetting,

D **A**
But reindeer are not quite that shallow.
