Ok, the timing might be a little off, It was hard matching the chords
up to the lyrics. But you should get the idea. If you listen to the song
you should be able to work it out from the chords. Once you get into the
swing of it it s easy...

            G#m      C#
        Yeah, oh.
        B                       (stop)
        Before we get down to love,

Y & G:  Before we get down...
                                        F#
Scod:   ... I just gotta finish this level.
                G#m   C#
Y & G:  Doo doo, doo doo,

        Doo-doo doo-doo.
        F#        G#m   C#
        Doo doo, doo doo,

        Doo-doo doo-doo.
                        F#
Scod:   You see, I got a high...
            G#m
        ... score tonight.
            C#                        F#
Tripod: And I just want to save my game.
                G#m   C#
Y & G:  Doo doo, doo doo,

        Doo-doo doo-doo.
                    F#
Scod:   Well, I ll be with you in a minute,
                              G#m
        Sweet darling, baby, honey.
                        C#
Tripod: I love how you dance for me.
        F#                G#m        C#
Scod:   Oooh, la la la la la la la...
                                    F#              G#m
Y & G:  Could you move a little to the left, baby?
            C#              F#
Scod:   I can t see the TV.
```

```
                      G#m   C#
Y & G:  Doo doo, doo doo,

        B                               (stop)
Tripod: Baby, I can t want  till we start,
                                              F#
Scod:   It s just that the save points are quite far apart,
                    G#m
        In this game, baby.
                C#
Y & G:  Doo doo, doo doo,

        F#                  G#m
Scod:   Oooh, la la la la la la la...
            C#
Y & G:  Doo-doo doo-doo.
        F#                                      G#m
Scod:   This bit s got a multi-player section, honey,
        C#                              F#
        Maybe you can operate a turret with me.
                    G#m
        Would you like that, baby?
              C#
Y & G:  Doo-doo doo-doo.
             F#                     F#          G#m
Scod:   Games give you hand-eye co-ordination,
                    C#
        And spacial intelligence, together with...
            F#                      F#
Tripod: ... map-reading skills.
            G#m
Scod:   Oh, sugar.
                C#                  F#
Y & G:  Turn the lights down low...
                F#                      G#m
Scod:   Turn the lights down, just a little bit lower, baby.
                C#                  F#
Y & G:  Turn the lights down low...
                F#                      G#m
Scod:   Turn the lights down low.
                C#                  F#
Y & G:  Turn the lights down low...
                                    F#                      G#m        C#
Scod:   It s just that it helps me feel like I m in a spaceship.
            F#
Tripod: Sweet, sweet love,

Yon:    Honey...
        G#m
Scod:   Sugar...
            C#
Gatesy: Baby...
                    F#(stop)
```

```
Tripod: Oooh, you look so great to me.
        ... Baby.
        Have you brushed your teeth yet?

        Take your time, no hurry.
        It s just that I m not tired.
        Are you tired?

        I ll see you in the bed, then.
        You might want to take a book.
        C#
Scod:   Baby...
          F#      F#
Y & G:  Ooo ooo ooo,
             G#m           C#
        You re so fine, baby.
                 F#                          G#m
Scod:   You know I can t stop thinking about you, baby.
                      C#                       F#
        And all of the magic coins that I need to collect.
             G#m   C#
Y & G:  Doo doo, doo doo,

                       F#              F#                  G#
Scod:   See, I just gotta find one more point of armour class,
                       C#                        F#
        And then I can take on the robots of Zirgon B,
                    F# G#m         C#
        And then we can make love...

        B                    (stop)
Tripod: I think this X-Box,
             C#(let ring) (play quickly)
Scod:   Is the best present I ever bought for you,
          F#(play quickly)
        Baby!
