Don t be afraid to hold me tight... You know I won t break in two...

**Eb** | **F** | | **Bb** |  
What we re doing here tonight... Sure beats what we re going through...

**Bb** | | **Bb7** | **Eb** |  
We both loved and lost before... You know the sadness it can bring...

**Eb** | **F** | | **Bb** |  
Tonight let s close the door... And hold onto the nearest thing...

**Bb 7** | **Eb** | **F** | **Dm** |  
Let s keep hangin on... So we won t fall apart...

**Gm** | **Eb** | **F** | **Bb** |  
Let s make love tonight... Like we never had a broken heart...

**Eb/G** | **Bb** | **Bb7** | **Eb** |  
Don t be afraid to close your eyes... Pretend I m someone that you love...

**Eb** | **F** | | **Bb** |  
And I won t have to tell you lies... Cause it s not you I m thinkin of...

**Bb7** | **Eb** | **F** | **Dm** |  
Let s keep hangin on... So we won t fall apart...

**Gm** | **Eb** | **F** | **Bb** |  
Let s make love tonight... Like we never had a broken heart...

**Eb** | **Bb** | | **Eb** |

**Eb** | **F** | | **Bb** |

**Bb7** | **Eb** | **F** | **Dm** |  
Tonight we ll just pretend... We ve been in love right from the start...

**Gm** | **Eb** | **F** | **Bb** |  
Let s make love again... Like we never had a broken heart...

**Gm** | **Eb** | **F** | **Bb** |  
Let s make love again... Like we never had a broken heart...

**Eb/G** | **Bb** |  
Don t be afraid to close your eyes...
