Don t be afraid to hold me tight... You know I won t break in two...

E | **F#** | | **B** |
What we re doing here tonight... Sure beats what we re going through...

B | | **B7** | **E** |
We both loved and lost before... You know the sadness it can bring...

E | **F#** | | **B** |
Tonight let s close the door... And hold onto the nearest thing...

B 7 | **E** | **F#** | **Ebm** |
Let s keep hangin on... So we won t fall apart...

G#m | **E** | **F#** | **B** |
Let s make love tonight... Like we never had a broken heart...

E/G | **B** | **B7** | **E** |
Don t be afraid to close your eyes... Pretend I m someone that you love...

E | **F#** | | **B** |
And I won t have to tell you lies... Cause it s not you I m thinkin of...

B7 | **E** | **F#** | **Ebm** |
Let s keep hangin on... So we won t fall apart...

G#m | **E** | **F#** | **B** |
Let s make love tonight... Like we never had a broken heart...
