Don t be afraid to hold me tight... You know I won t break in two...

G | **A** | | **D** |
What we re doing here tonight... Sure beats what we re going through...

D | | **D7** | **G** |
We both loved and lost before... You know the sadness it can bring...

G | **A** | | **D** |
Tonight let s close the door... And hold onto the nearest thing...

D 7 | **G** | **A** | **F#m** |
Let s keep hangin on... So we won t fall apart...

Bm | **G** | **A** | **D** |
Let s make love tonight... Like we never had a broken heart...

G/G | **D** | **D7** | **G** |
Don t be afraid to close your eyes... Pretend I m someone that you love...

G | **A** | | **D** |
And I won t have to tell you lies... Cause it s not you I m thinkin of...

D7 | **G** | **A** | **F#m** |
Let s keep hangin on... So we won t fall apart...

Bm | **G** | **A** | **D** |
Let s make love tonight... Like we never had a broken heart...

G | **D** | | **G** |

G | **A** | | **D** |

Tonight we ll just pretend... We ve been in love right from the start...

Bm | **G** | **A** | **D** |
Let s make love again... Like we never had a broken heart...

Bm | **G** | **A** | **D** |
Let s make love again... Like we never had a broken heart...

Don t be afraid to close your eyes...
