Santa On The Roof Top Feat Rosie Lyrics by Trisha Yearwood  
Album: A Rosie Christmas 1999

Slow Strum **G Em C**  
Speed up **D**

**G**  
I was walking home on Christmas eve  
**Em**  
The whole neighborhood was fast asleep  
**C**  
The snow was falling, coming down hard  
**D**  
The place looked like a picture post card.  
**G**  
And when my house came into view  
**Em**  
I noticed something up on the roof  
**C**  
You can't imagine my surprise  
**D**  
When I looked up and realized.

**G**  
It was Santa on the rooftop  
**Em**  
And our house was Santa's first roof stop  
**C**  
The reindeer were quiet as a mouse  
Didn't make a sound  
**D**  
Santa got ready to make his way down  
**G**  
He had one foot in the chimney  
**Em**  
Destination our brand new Christmas tree  
**C**  
I knew everyone was gonna be shocked  
**D**  
When I told them I saw Santa on the rooftop.

**G**  
I tried to get home right away  
**Em**  
But I was just a little too late  
**C**  
The gifts were laid out under the tree

**D**

But no sign of Mister SC.

**G**

I ran over to the fireplace

**Em**

But there was nothing but an empty space

**C**

Got everybody up out of bed

**D**

Their eyes opened wide when I said.

**G**

It was Santa on the rooftop

**Em**

And our house was Santa s first roof stop

**C**

The reindeer were quiet as a mouse

Didn t make a sound

**D**

Santa got ready to make his way down

**G**

He had one foot in the chimney

**Em**

Destination our brand new Christmas tree

**C**

I knew everyone was gonna be shocked

**D**

When I told them I saw Santa on the rooftop.

**G**

Some people think the man s a myth

**Em**

I had my doubts, I admit

**C**

They ll laugh and criticize

**D**

When somebody says with that look in their eyes.

**G**

It was Santa on the rooftop

**Em**

And our house was Santa s first roof stop

**C**

The reindeer were quiet as a mouse

Didn t make a sound

**D**

Santa got ready to make his way down

**G**

He had one foot in the chimney

**Em**

Destination our brand new Christmas tree

**C**

I knew everyone was gonna be shocked

**D**

**G**

When I told them I saw Santa on the rooftop.

**D**

**G**

When I told them I saw Santa on the rooftop.

**D**

When I said I saw Santa on the rooftop.
