

Deepest Ocean Blue
Tristan Prettyman

Capo 2

Tuning: Standard

B **Dm**
Try to push your memory away
G#m **F#**
But I need a phone calls right in day (not sure)
E **F#** **E** **F#**
You re on my mind, all the time
B **Dm**
Dropped you off from the out skirts town
G#m **F#**
And drive a couple miles at the turn of hour
E **F#**
It s not the same, when you re away
G#m **F#**
And darling I don t know what to do

B **Dm**
Cause from my deepest ocean blue
G#m **F#**
To the fullest golden moon
E **F#** **B**
What am I to do with all this love for you
B **Dm**
From the stars up in the sky
G#m **F#**
To the harm and the rumbling lines
E **F#** **B**
Will open door..my love for you (not sure)

B **Dm**
You were a match and I was gasoline
G#m **F#**
And I will sure you d the end of me
E **F#** **E** **F#**
So I keep the flame and I walked away
B **Dm**
Ain t it funny how you never really know
G#m **F#**
You never wanted till you finally let it go
E **F#** **F#**
Come back to me and I swear you ll see
G#m **F#** **B**
And this much I know it s true

B **Dm**
 Cause from my deepest ocean blue
G#m **F#**
 To the fullest golden moon
E **F#** **B**
 What am I to do with all this love for you
B **Dm**
 From the stars up in the sky
G#m **F#**
 To the harm and the rumbling lines
E **F#** **B**
 Will open door..my love for you (not sure)

F#
 You might not feel the same
 (break)
 I know sometimes people change
B **Dm**
 and that s how you feel
G#m **F#**
 I ll be okay
E **F#**
 And someday, yeah maybe some day

B **Dm**
 Cause from my deepest ocean blue
G#m **F#**
 To the fullest golden moon
E **F#** **B**
 What am I to do with all this love for you
B **Dm**
 From the stars up in the sky
G#m **F#**
 To the harm and the rumbling lines
E **F#** **B**
 Will open door..my love for you (not sure)
E **F#** **B**
 Will open door..my love for you
E **F#** **B**
 Will open door..my love for you
