Well I am the wind blowing down your road
A walk after midnight where the trees hang low
I am a strangers face you swear you ve seen
Lost in the darkness of your dreams

Play me I m a song, you can sing along
Turn me up and on, and play me all night long

Around every corner is a lesson (I m told?)
Won t you take me to the place where the mountains meet the sky
In the middle of nowhere, just you and I

Play me I m a song, you can sing along
Turn me up and on, and play me all night long
