Intro: [**A** - ***** - **G** â€" **G/F#**]

[**A** - ***** - **G** â€" **G/F#**]

Well there are times when you know
When you should stay, when you should go
But you don t
Rehearse the lines in your head
You know what needs to be said
But it all comes out bad
And if it s space that you need
If time is falling at your feet
Walking away empty
Love is a crazy dream

[**D** â€" **F#** - **A** â€" **E**] X 2

Is it what you want
Is it what you need
We go back and forth
Making war out of peace
And you won t let go
And I won t give up
We go round and round
But is it ever enough
[**F#** - **Bm** â€" **F#** - **Bm**]
Is it ever enough

[**A** - ***** - **G** â€" **G/F#**]

Lately I m falling away
Growing more quiet by the day
Not really sure
Why I feel this way
I guess I got a little scared

Someone could actually care
This time, just might be something there
And if it s change that you need
A little more mystery
Some kind of deeper meaning
Love is a crazy dream

[D â€" F# - A â€" E] X 2

Is it what you want
Is it what you need
We go back and forth
Making war out of peace
And you won t let go
And I won t give up
We go round and round
But is it ever enough
[F# - Bm â€" F# - Bm]
Is it ever enough

[C â€" D(alt)] x 3

I m sure I ll mess it all up
Iâ€™m sure Iâ€™ll try to convince myself
That I just need time to be

[D]

But what I want to be is
Something else, someone else

[A - * - G â€" G/F#]

So why did we cross the line
Mess it all up with the time
And in the end just assume it ll be alright

[D â€" F# - A â€" E] X 2

Is it what you want
Is it what you need
We go back and forth
Making war out of peace
And you won t let go
And I won t give up
We go round and round
But is it ever enough

[D â€" F# - A â€" E] X 2

Is it what you want
Is it what you need
We go back and forth
Making war out of peace
And you won t let go
And I won t give up
No I won t give up
No I won t give up
