

Dying In Your Arms
Trivium

I m doing this after watching acoustic performance of Matt Heafy. Enjoy!

Half-Step Down tuning

Intro **Am E F G E** x2

Am **Dm**
I m wearing thin wearing out becoming weak
F **G** **E**
Holding hands with this rope she s my self-destructive
Am **Dm**
Bleeding disease the things that makes it hard to breathe
F
But if I shoved you far away
G **E**
This addict just starved again asphyxiated
Am **E** **F** **G** **E**
And now I see it s you that s tearing me ensnaring me
Am **E** **F** **G** **E**
This is me dying in your arms I cut you out now set me free

Lynched high above what used to be
In her gallows built for me
So I escaped cut this noose around my
Neck I break free to see the things you blinded me
And I shoved you far away
Now I live the life I dreamed of
You re dead to me

And now I see it s you that s tearing me ensnaring me
This is me dying in your arms I cut you out now set me free

And now I see it s you that s tearing me ensnaring me
This is me dying in your arms I cut you out now set me free

Am E F
You poisoned my life

Am F G
So I take this knife

Am E F
And I cut you out

Am F G
Cut you out

Am E F G E x4

And now I see it s you that s tearing me ensnaring me
This is me dying in your arms I cut you out now set me free

And now I see it s you that s tearing me ensnaring me
This is me dying in your arms I cut you out now set me free

set me free

set me free

set me free

set me free

set me free

set me free

set me free
