```
E              B            C#m  G#m              C#m    G#m
Kiss me on the mouth and set me   free, sing me like a    choir.
E          B         C#m  G#m                 C#m    G#m
I can be the subject of your dreams, your sickening de-----sire.
E                        B         C#m  G#m                      C#m    G#m
Don t you wanna see a man up---close? A phoenix in the    fire.
   E             B          C#m  G#m
So kiss me on the mouth and set me   free, but please, don t bite.

E              B            C#m    G#m              C#m    G#m
You can coax the cold right out of    me, drape me in your arms.
  E               B           C#m  G#m                   C#m     G#m
The rapture at the dark brings me at   ease, the blind eye of the  storm.
  E           B         C#m  G#m                 C#m    G#m
Let s go for a walk down Easy Street, where you can be re----born.
    E             B          C#m  G#m
and kiss me on the mouth and set me   free, but please, don t bite.
