

**D**  
Buying happy from shopping carts  
**C** **G** **F#/D**  
Nothing but time to kill, sipping life from bottles  
**Em** **D**  
Tight skin, bodyguards, Gucci down the boulevard,  
**C**  
Cocaine, dollar bills and

**Em**  
My happy little pill  
**D**  
Take me away  
**C**  
Dry my eyes  
**G** **F#/D**  
Bring colour to my skies  
**Em**  
My sweet little pill  
**D**  
Take my hunger  
**C**  
Light within  
**G** **F#/D**  
Numb my skin

**Em**  
Oh glazed eyes, empty hearts  
**D**  
Buying happy from shopping carts

Nothing but time to kill, sipping life from bottles
