

Heaven

Troye Sivan

[Intro] G D G D

G D
The truth runs wild like a tear down a cheek

G
Trying to save face, and daddy heart break

D
I m lying through my teeth

G D
This voice inside has been eating at me

G
Trying to replace the love that i fake

D G D G D
With what we both need

G D
The truth runs wild like kids on concrete

G
Trying to sedate, my mind in it s cage

D
And numb what i see

G D
Awake, wide eyed. i m screaming at me

G D
Trying to keep faith and picture his face staring up at me

G D G
Without losing a piece of me how do i get to heaven?

D G
Without changing a part of me how do i get to heaven?

D G
All my time is wasted feeling like my heart s mistaken, oh

D G D G D
So if i m losing a piece of me maybe i don t want heaven

G D
The truth runs wild like the rain to the sea

G
Trying to set straight the lines that i trace

D G D
To find some release, this voice inside has been eating at me

G D
Trying to embrace the picture i paint and colour me free

G D G
Without losing a piece of me how do i get to heaven?

D
G
 Without changing a part of me how do i get to heaven?

G
D
 So if i m losing a piece of me maybe i don t want heaven

G
 So i m counting to fifteen

D
 Counting to fifteen, counting to fifteen

G
 So i m counting to fifteen

G
 Counting to fifteen, counting to fifteen

G
 So i m counting to fifteen

D
 Counting to fifteen, counting to fifteen

G
 So i m counting to fifteen

G
 Counting to fifteen, counting to fifteen
