

## Strawberries & Cigarettes

Troye Sivan

**A** Remember when we first met?  
**E**  
**F#m**  
You said light my cigarette  
**D**  
So I lied to my mom and dad  
**E** **A**  
And jumped the fence and I ran  
**E**  
But we couldn't go very far  
**F#m**  
Cause you locked your keys in your car  
**D**  
So you sat and stared at my lips  
**E** **A**  
And I could already feel your kiss

**A**  
Long nights, daydreams  
**E** **F#m**  
Sugar and smoke rings, I've been a fool  
**D** **E** **A**  
But strawberries and cigarettes always taste like you  
**A**  
Headlights, on me  
**E** **F#m**  
Racing to 60, I've been a fool  
**D** **E**  
But strawberries and cigarettes always taste like  
**A**  
Blue eyes, black jeans  
**E** **F#m**  
Lighters and candy, I've been a fool  
**D** **E** **A**  
But strawberries and cigarettes always taste like you

**A** **E**  
Remember when you taught me fate  
**F#m**  
Said it all be worth the wait  
**D**  
Like that night in the back of the cab  
**E** **A**  
When your fingers walked in my hand  
**E**  
Next day, nothing on my phone  
**F#m**

But I can still smell you on my clothes

**D**

Always hoping things would change

**E**

**A**

But we went right back to your games

**A**

Long nights, daydreams

**E**

**F#m**

Sugar and smoke rings, I ve been a fool

**D**

**E**
