

Strawberries & Cigarettes

Troye Sivan

A **E**
Remember when we first met?
F#m
You said light my cigarette
D
So I lied to my mom and dad
E **A**
And jumped the fence and I ran
E
But we couldn't go very far
F#m
Cause you locked your keys in your car
D
So you sat and stared at my lips
E **A**
And I could already feel your kiss

A
Long nights, daydreams
E **F#m**
Sugar and smoke rings, I've been a fool
D **E** **A**
But strawberries and cigarettes always taste like you
A
Headlights, on me
E **F#m**
Racing to 60, I've been a fool
D **E**
But strawberries and cigarettes always taste like
A
Blue eyes, black jeans
E **F#m**
Lighters and candy, I've been a fool
D **E** **A**
But strawberries and cigarettes always taste like you

A **E**
Remember when you taught me fate
F#m
Said it all be worth the wait
D
Like that night in the back of the cab
E **A**
When your fingers walked in my hand
E
Next day, nothing on my phone
F#m

But I can still smell you on my clothes

D

Always hoping things would change

E

A

But we went right back to your games

A

Long nights, daydreams

E

F#m

Sugar and smoke rings, I've been a fool

F#m

And give my heart a holiday

D

You always leave me wanting more

F#m

I can't shake my hunger for

D
