

The Fault In Our Stars
Troye Sivan

This is my first tab, so I hope you guys enjoy it and find it easy to understand :)

Capo on 1st fret is my preference but capo 3 will match the recording.

[Verse 1]

(single strum for verses)

C
The weight
G
Of a simple human emotion
Am
Weighs me down
F
More than the tank ever did

C
The pain
G
It s determined and demanding
Am **F**
To ache, but I m okay...

[Chorus]

C
And I don t want to let this go
 Am
I don t want to lose control
 F **G**
I just want to see the stars with you
 C
And I don t say goodbye
 Am
Someone tell me why
 F **G**
I just want to see the stars with you

[Verse 2]

C

You lost

G

A part of your existence

Am

In the war

F

Against yourself

C

Oh the lights

G

They light up in lights of sadness

Am

F

Telling you; It s time to go

[Chorus]

C

And I don t want to let this go

Am

I don t want to lose control

F

G

I just want to see the stars with you

C

And I don t say goodbye

Am

Someone tell me why

F

G

I just want to see the stars with you

[Bridge] (x3)

C

Don t give it up just yet stay

Am

C

Grand for one more minute, don t give it up just yet

G

Stay... grand

[Chorus]

(Optional: Single Strum on this last repetition of the chorus)

C

And I don t want to let this go

Am

I don t want to lose control

F

G

I just want to see the stars with you

C

And I don t say goodbye

Am

Someone tell me why

F

G

I just want to see the stars with you

With you
