The Fault In Our Stars Troye Sivan This is my first tab, so I hope you guys enjoy it and find it easy to understand :) Capo on 1st fret is my preference but capo 3 will match the recording.

```
[Verse 1]
```

(single strum for verses)

С

The weight **G** Of a simple human emotion **Am** Weighs me down **F** More than the tank ever did

С

The pain **G** It s determined and demanding **Am F** To ache, but I m okay...

```
[Chorus]
```

C And I don t want to let this go Am I don t want to lose control F G I just want to see the stars with you C And I don t say goodbye Am Someone tell me why F G I just want to see the stars with you

[Verse 2]

You lost G A part of your existence Am In the war \mathbf{F} Against yourself С Oh the lights G They light up in lights of sadness Am F Telling you; It s time to go [Chorus] C And I don t want to let this go Am I don t want to lose control \mathbf{F} G I just want to see the stars with you C And I don t say goodbye Am Someone tell me why G F I just want to see the stars with you [Bridge] (x3) С Don t give it up just yet stay Am Grand for one more minute, don t give it up just yet G Stay... grand [Chorus] (Optional: Single Strum on this last repetition of the chorus) С And I don t want to let this go Am I don t want to lose control F G I just want to see the stars with you C And I don t say goodbye

Am

Someone tell me why

G

I just want to see the stars with you With you
