

The Good Side
Troye Sivan

Standard tuning
CAPO 2

[Intro]
C Em Fmaj7 G6

[Verse 1]
C
I got the good side of things,
Em
Left you with both of the rings,
Fmaj7
My fingers danced,
And swayed in the breeze,
G6
The change in the wind took you down to your knees

C
I got the good side of you,
Em
Sent it out into the blue,
Fmaj7
The people danced,
To the sound of your heart,
G6
The world sang along to it falling apart

[Chorus]
C
But I sympathise,
Em
And I recognise,
Fmaj7
And baby, I apologise,
G6
That I got the good side,
C
The good side of things

Em Fmaj7 G6
