

Wild

Troye Sivan

**F** **Gm**  
Trying hard not to fall  
On the way home

**F** **Eb**  
You were trying to wear me down

**F**  
Kissing up on fences

**Gm**  
And up on walls  
On the way home

**F** **Eb**  
I guess it s all working out, now

**F** **Gm**  
Cause there s still too long to the weekend

Too long till I drown in your hands

**F** **Eb**  
Too long since I ve been a fool

**F** **Gm** **Eb**  
Leave this blue neighbourhood

**F**  
Never knew loving could hurt this good, oh

**Gm** **Bb**  
And it drives me wild

**F** **Gm** **Eb**  
Cause when you look like that

**F**  
I ve never ever wanted to be so bad, oh

**Gm** **Bb**  
It drives me wild

**F** **Gm** **Eb**  
You re driving me wild, wild, wild

**F** **Gm** **Bb**  
You re driving me wild, wild, wild

You re driving me wild

**F** **Gm**  
White noise in my mind

Won t calm down

**F** **Eb**  
You re all I think about

**F**  
Running on the music

**Gm**

And night highs

But when the light s out

**F Eb**

It s me and you now

**F**

**Gm**

Cause there s still too long to the weekend

Too long till I drown in your hands

**F Eb**

Too long since I ve been a fool

**F**

**Gm**

**Eb**

Leave this blue neighbourhood

**F**

Never knew loving could hurt this good, oh

And it s driving me wild

You re driving me wild

**F**

You make my heart shake

Bend and break

But I can t turn away
