

Youth
Troye Sivan

G **D**
What if, what if we run away? What if, what if we left today?

Em **C**
What if we say goodbye to safe and sound?

G **D**
And what if, what if we're hard to find? What if, what if we lost our mind?

Em **C**
What if we were to fall behind, never found

G **D**
And when the lights start flashing like a photobooth

Em **C**
And the stars exploding, we'll be fireproof

G
My youth, my youth is yours. Trippin' on skies, sippin' waterfalls

My youth, my youth is yours. Run away now, we're forever gone

G **D**
My youth, my youth is yours. The truth's so loud you can't ignore

Em **C**
My youth, my youth, my youth, my youth is yours

(**G** **D** **Em** **C**)

G **D**
What if, what if we start to drive? What if, what if we close our eyes?

Em **C**
What if we're speeding through red lights to paradise?

G **D**
Cause we've no time for getting old Mortal body; timeless souls

Em **C**
Cross your fingers here we go, Oh, oh, oh

G **D**
And when the lights start flashing like a photobooth

Em **C**
And the stars exploding, we'll be fireproof

G
My youth, my youth is yours. Trippin' on skies, sippin' waterfalls

My youth, my youth is yours. Run away now, we're forever gone

G **D**
My youth, my youth is yours. The truth's so loud you can't ignore

Em **C**
My youth, my youth, my youth, my youth is yours
