

**Its Just Porn Mum
Trucks**

Artist = Trucks

Song = It s Just Porn Mum

this is a wikid song! I hope this tab makes some kind of sense..

Intro and verse = (i dont exactly know but use these chords and it will sound ok)

(E on 7th fret)

E, B, C#, A

do this a few times then at the end of the verse, before the chorus, do this:

A, A, E-(quick movement)-**A**

Chorus=

Same as verse but with full chords, and do E like this --0--

--0--

--1--

--2--

--2--

--0--

(it sounds better)

Interlude bit and bit at the end=

C, D (x2 for middle bit, x3 for the end)

End on E

Any problems email me: mirageno1_2002@hotmail.com

or if anyone knows how to do the verse properly. This will do for the moment though.
