Tryo

www.tryo.fr

Thats the site from where to find them, really good band
check them out

This is a french song from France, really good reggae that everyone should
learn, not hard at all

It starts off like this

Am G C Am

then after the solo its

Am C Am G

what the hell i have nothing else to write
stop asking me
geeezuz
what else can i say
thats all

continue that until the end... enjoy and listen to more of their songs if you
like this one, they rock
peace
peace out, a town down
