

Wash Away

T.S.O.L.

WASH AWAY by TSOL

this is a great song, very musical and melodical. here are the basic chords for playing this song. You can play them in power chords or in regular chords

VERSE

C

Sad memories the gathering rain brings

F

I loved her but I ll never see her again

C

Clouds raise their heads in the morning

F

the way I once walked on by her

C

But now she s gone

F

and I ll never raise my face again

CHORUS

Am

Bb

White horses dragged my lover from me

AM

he clouds rushed in and drowned my sorrow with the rain

Bb C D F

With the rain

BRIDGE- the chords played during keyboard and guitar solos are Am and Bb

Am

Now always the storms come,

Bb

Rain drop run down my window

Am

But all thatâ€™s left is a picture

Bb

That some day too will wash away

Am

Wash away, I watched you walk away in the rain

The ending minute of the song is just chords C and F played like in the verse
