

E|-----5-5-5-5-----5-5-5-5-----|

I never thought it mattered, never thought it mattered so much to me
exactly where I put my feet, I was wrong.

I drink a strong cup of coffee. A long time ago, I had a home.

A corner where I could be alone.

Chorus:

doing octaves, i ll write out both ways, both sound almost the same, but just
for the hell of it, you can play either and it will work. Listen to the song
for
the strumming.
