## Jenny Again Tunng

Jenny Again by tunng

capo on 4rd fret

G D Em

Throw the knife into the stream

D C

Run away across the fields

D

Leave me lying where I fell

G

Rivers running out of me

G D Em

Meet my Jenny in the lane

D C

Take a car and run away

D

Get as far as you can get

Before the new day

Am G D

Your heart beats quick and strong

Am G D

Your mind pores over it all

Am G D C

Don t worry because no one saw me fall

G D Em

Sit inside a little chef

)

Look around but not at her

D

See my kisses on her lips

G

See my fingers in her hair

G D EM

Think of this against your will

D C

See the knife edge slipping in

D

See the questions in my eyes

(spoken - no chords)

I went so quick it makes you shudder that I m gone Are we so brittle has your soul turned into stone And though you loved me I m not Jenny in the night Some decisions don t thread back to being right

Am G D

Your head blurs quickly tonight

Am G D

Your edges diffuse in the light

Am G D C

Don t tell me that your throat is getting tight

G D Em

Change your name and find a job

D C

Marry Jenny in the spring

D

Buy a dog and call him Pete

G

Push the children on the swings

D E

Think about me now and then

D C

Try to find a peaceful space

D

Count the days as they go by

G

Count the lines upon your face

Am G D

Your heart beats quick and strong

Am G D

Your mind pores over it all
