Tuning: Standard Tuning (EADGBE)

Gale's singing lead for a change in this one, i love this song.  
Pretty easy so here it goes..

Chords:

	D	Am	G	Bm	Bx
E	-2---	0---	3---	7---	10----
B	-3---	1---	0---	7---	10----
G	-2---	2---	0---	7---	7----
D	-0---	2---	0---	9-----	
A	-0---	0---	2---	9-----	
E	-x---	x---	3---	7-----	

You can play the G in bare too if you like. If you play the Bx, use the fingerpositions of a normal Bm in bare (on the 7th) and use your pinky to play the notes on the 10th fret. You can also skip the whole chord if its too hard.
