Future Boy
Turin Brakes
Submitted by Luke Kinsella

C#
So future boy where are you from
C#7
My time machine crashed over yonder.
F#
Syphillis is a bitch but contracting hiv is much worse.
C#
Why are you pushing info into me,
C#7 **F#**
I have no need for it, I?m from the stars.
C#
I thought you?d like to know your scoop
C#7
I?m taking babies back with me, yeah.
F#
I?m taking them back home so they can see
There?s a much better place.
C#
I?ve got a sister with an open mind
C#7 **F#**
And my friends are all junkies but there still my friends,
C#
As long as they don?t use monkeys,
C#7 **F#**
We enjoy the heat of stolen days in the summer of 93.
C#
Well the future boy said I?ve got friends but you know sometimes
C#7 **F#**
It all depends on how tall they are against yourself.
C# **C#7** **F#**
I am the future boy, I am the future boy, I am the future boy, I am the future
boy X 2
C#
My friends have all gone and left me so I decided
C#7 **F#**
To come hear and see myself as a baby,
C# **C#7**
But it looks like I?m stuck hear this time, oh shit,
F#
I?m gonna miss my friends.
C#
No your still the future boy, yes I?m still the future boy

C#7

F#

We'll build you a time machine to get back home.

C#

C#7

F#

Still the future boy, well I'm still the future boy, still the future boy, well
im still the future boy X2.
