E

So future boy where are you from

E7

My time machine crashed over yonder.

A

Syphillis is a bitch but contracting hiv is much worse.

E

Why are you pushing info into me,

E7

A

I have no need for it, I?m from the stars.

E

I thought you?d like to know your scoop

E7

I?m taking babies back with me, yeah.

A

I?m taking them back home so they can see
There?s a much better place.

E

I?ve got a sister with an open mind

E7

A

And my friends are all junkies but there still my friends,

E

As long as they don?t use monkeys,

E7

A

We enjoy the heat of stolen days in the summer of 93.

E

Well the future boy said I?ve got friends but you know sometimes

E7

A

It all depends on how tall they are against yourself.

E

E7

A

I am the future boy, I am the future boy, I am the future boy, I am the future
boy X 2

E

My friends have all gone and left me so I decided

E7

A

To come hear and see myself as a baby,

E

E7

But it looks like I?m stuck hear this time, oh shit,

A

I?m gonna miss my friends.

E

No your still the future boy, yes I?m still the future boy

E7

A

We'll build you a time machine to get back home.

E

E7

A

Still the future boy, well I'm still the future boy, still the future boy, well im still the future boy X2.
