

Invisible Storm Turin Brakes

Another great song from Turin Brakes. Couldn't seem to find this one tabbed out anywhere

so here is my first ever submission. Comments/corrections welcome, please be kind!. Thanks ***

Capo 6th Fret

[Verse 1]

Am

Hiding from the morning light

Em

Riding on that Northern Line

G

D

Catch yourself in the grass, by half past

C

ain't it funny how you spend your time

Am

The people coming in and out

Em

The city is a venus trap

G

D

You got used to the sound, of underground

C

You go and you come back

[Pre-Chorus]

C

D

Em

C

Blind like a mole you make your way up to the light

C

D

Em

Catch your breath on the stairs you're living for tonight

[Chorus]

Am

Em

G

C

Making your way through a hurricane, and no-one knows your name

Am

Em

D

Fighting and invisible storm, invisible storm

Am

Em

G

C

Making your way through a faceless crowd, it's funny how things turned out

Am

Em

D

Fighting an invisible storm, invisible storm

[Verse 2]

Am

Em

Catching the glimpse of evening sun, reminds me of the place that you come from

G

D C

The people back home, you've outgrown. Suddenly it seems so wrong

Am

Em

The monster is in your mind, riding on the Northern line

G

D C

You got used to the sound, of underground. Watching them warning signs

[Pre-Chorus]

C **D** **Em** **C**
Blind like a mole you make your way up to the light
C **D** **Em**
Catch your breath on the stairs you re living for tonight

[Chorus]

Am **Em** **G** **C**
Making your way through a hurricane, and no-one knows your name
Am **Em** **D**
Fighting and invisible storm, invisible storm
Am **Em** **G** **C**
Making your way through a faceless crowd, its funny how things turned out
Am **Em** **D**
Fighting an invisible storm, invisible storm

[Pre-Chorus]

C **D** **Em** **C**
Blind like a mole you make your way up to the light
C **D** **Em**
Catch your breath on the stairs you re living for tonight

[Chorus]

Am **Em** **G** **C**
Making your way through a hurricane, and no-one knows your name
Am **Em** **D**
Fighting and invisible storm, invisible storm
Am **Em** **G** **C**
Making your way through a faceless crowd, its funny how things turned out
Am **Em** **D**
Fighting an invisible storm, invisible storm
