Long Distance
Turin Brakes

This is the definative song of the album i think, and it s one of my favourite
songs ever written. (Also, despite critical statements about the Ether Song
album, it s great, and perfect for those seeking acoustic bliss.)

Chords
======
Emin (779987)
D (557775)
C (335553)
B (224442)
E (022100) or alternatively (779997)
Bmin (224432)
A (002220) or alternatively (577655)

Intro
=====
Here they are just playing through the verse chords, first plucking the 5th
string note, and then strumming the rest of the strings after. (N.B. When they
reach the C they strum the rest of the strings subsequent times.)

The chords are:
Emin - **D** - **C** - **B**

Then they launch into the verse:
(N.B. when strumming the chords highlight the top 3 strings to get the same
effect on the song.)

Verse
=====
Emin   D   C   B
If this gets ugly, I swear, this ain t our last chance.
Emin   D   C   B
The vultures that circle, my head, are flying alongside.
Emin   D   C   B
The world s turning...

Chorus
======
E   **Bmin**   A
I let somebody get under my skin.
E   **Bmin**   A
Long distance, losing is all that i d seen.
E   **Bmin** A
Now there s a river.
E   **Bmin** A
Now there s a river.

```
Verse
=====
Emin          D                         C
Nothing can save me, my resolve betrayed me,
                B
Here come the hurricanes,
Emin               D                      C
I m burning to get there, the middle of nowhere,
                   B
Storm warnings flicker while,
Emin  D      C    B
The world s turning.

Chorus
======
E        Bmin          A
I let somebody get under my skin.
E                  Bmin      A
Long distance, losing is all that i d seen.
E            Bmin  A
Now there s a river.
E            Bmin  A
Now there s a river.

After chorus keep strumming the chorus chords...

Chorus      [slight break in the strumming pattern here]
======          |
E        Bmin   |       A
I let somebody| get under my skin.
E                  Bmin      A
Long distance, losing is all that i see.
E            Bmin  A
Now there s a river.
E            Bmin  A
Now there s a river.

Keep strumming the A chord until fade out.
